shipping weight: 1.00 kg
Manufacturer: Ulisses Spiele

Product Description

Thousands of years ago, the dwarven creator god Torag shook the earth and called the dwarves to the surface through the Sky Quest. Taargick rose from the hardships of this journey to become the Sky King of Highhelm. He ruled for centuries, creating monuments to Torag and the achievements of his people... And then he disappeared without a trace. The guests of the Clans of Highhelm become embroiled in a story of seekers, survivors and heroes who discover the Sky King's Vault. The Sky King's Vault adventure path takes heroes from level 1-11.
