### Product Description

- Carrera RC Mario Pipe Kart- Carrera RC Action- Join Mario in the Pipe Kart for hot races- Length approx. 21 cm- From 6 yearsGlide to victory with Mario and the extra-light Pipe KartMario puts his foot to the floor in his Carrera RC Mario Kart Pipe Kart™ for every challenge in the Mushroom Cup on the home track! The extra-light pipe kart is a classic feature of the Mario Kart 8 and Mario Kart™™ 8 Deluxe video games and now guarantees plenty of off-screen thrills in the real world. The Carrera RC Kart is still robust enough to withstand attacks from the dreaded blue shell. With this kart, you can turn heads as you race with friends to secure a place at the top of the podium.Mario Kart™ action at homeThe original Nintendo reproduction licence ensures that this lovingly designed hero is a dead ringer for his digital alter ego. Mario earns his place at the top of the podium with top speeds of up to 9 km/h against up to 15 other racers. Enjoy up to 30 minutes of racing action before it's time to use the included USB cable to fully charge the 3.2V 320mAh LiFePo4 battery in just 50 minutes. The fully functional control technology makes Mario easy to drive for enthusiasts aged 6 and up. Race with Mario and place the mushroom trophy in your trophy cabinet!- Ready to run- 2.4 GHz technology- Full Function- USB- Car off- Up to 9 km/h- Driving time: 30 min- Charging time: 50 min- 2.4 GHz FF MK P- 6+Content list- 2.4 GHz controller small 2021 (VT) Art.
