### Product Description

Choose your champions, assemble your warband and prepare for battle in this fast-paced two-player tabletop combat game. Your goal? To fight for control of the precious Goddears scattered across the land. Goddear's quick-to-grasp gameplay puts you right into the action and offers a series of tactical challenges to explore as you familiarise yourself with the factionless world of The Cradle. These expansions are designed to be used with either of the two starter sets and contain everything a player needs to add a new champion to their warband. Each expansion contains a new champion, their followers and their banner in highly detailed miniature form. Plus the profile cards for the champion. No assembly required! Goddear is a ready-to-use experience.
