Product Description

Face a whiskered criminal mastermind in your next tabletop roleplaying campaign! Surrounded by his cursed wererat minions, the cunning Rat King makes a tempting target as he sits on the shoulders of his hypnotised servant, Gripe. But you'll need to take down his creation, the hideous Rataclysm, before you can get close to the King... Inside this box you'll find six fully assembled, highly detailed miniatures ready to paint or play. With these terrifying villains, you can explore the criminal underworld of Animal Adventures with the Secrets of Gullet Cove sourcebook, or use them as enemies in any fantasy campaign. The only limit is your imagination! Contents: Rat King and Gripe Rataclysm 4x Wererats
