Product Description

The e-Raptor insert, compatible with Septima + expansion, is an essential accessory to organise the game and improve the gaming experience. Thanks to our insert, you can organise all the game components and sleeved* cards to store them - no more chaos on the table during the game. No more searching for the elements you need during the game. And when the box is closed, the components are still organised and can be used for a new game faster than ever before! The insert is durable and made of high-quality HDF. No glue is required for assembly. It allows you to keep all the components in the box. In the pictures you can see the suggested arrangement of the components. This offer refers to the insert only. The game is not included. Important notes Caution! Not suitable for children under 36 months.
