Product Description

e-Raptor Insert compatible with Kutná Hora is an indispensable accessory to organise and improve the gaming experience. Thanks to our insert, you can organise all game components and sleeved* cards - no more chaos on the table during the game. No more searching for the elements you need during the game. And when the box is closed, the components are still organised and ready for a new game - faster than ever! The insert is durable and made of high-quality HDF. No glue is required for assembly. It allows you to keep all the components in the box. In the pictures you can see the suggested arrangement of the components. This offer refers to the insert only. The game is not included. Important information Caution! Not suitable for children under 36 months.
