Product Description

Paletto maxiby Dieter SteinPaletto is also available as a maxi edition especially for nurseries, schools and other public institutions. The Paletto Maxi game board allows you to play the well-known tactical game for 2 - 3 people. Paletto Maxi also includes a large colour dice and the "Paletto Plus" rule supplement, which allows up to 6 people to play. With this simplified rule, Paletto is less tactical and the luck factor plays a more important role. As soon as children can match colours, they can also play Paletto. The game board measures 50 x 50 x 2.5 cm. It is made from indestructible beech plywood. The game pieces are easy-to-grip wooden cylinders with a diameter of 5 cm and a height of 3.8 cm. The size of the board and the game pieces also make it ideal for senior citizens. - Game board 50 x 50 cm beech multiplex- Game pieces made of solid wood, lacquered in 6 colours- Colour cube 30 mm- Paletto rules and simplified Paletto Plus rulesCaution!Not suitable for children under 4 years of age.
