Product Description

DescriptionLaniakea by Marco TeubnerSlalom around the turtlesThere are numerous turtles on Laniakea beach. Visitors are allowed to enter the beach, but must not get too close to the turtles. Slalom is required here!The aim of the game is to reach the other side of the board with your own tiles, always avoiding the turtles. Only the free beach tiles may be entered. The tiles are moved and jumped, stacked and blocked.But be careful: the turtles move too! After each turn, the row of wooden tiles in which the last tile was placed is moved. The game situation is therefore constantly changing and new paths must always be sought.The difficulty of the game can be controlled as a few extra tiles are included. If you play with lots of beach tiles, the game is suitable for children aged 8 and over. If you increase the number of tiles with the turtles, the game becomes more tactical and challenging.Caution! Not suitable for children under the age of three. Small parts can be swallowed.For 2 players aged 8 and overPlaying time: 30-40 minutesGame materials:Game board 20 x 25 cm made of solid beech, oiled28 wooden tiles 5 x 2.5 cm -12 of which are printed on one side, 5 printed on both sides and 11 plain2 x 8 round tiles in blue and yellow in a cotton bag
