Product Description

Solitaire - small with rounded wooden cylinders. The centre square is empty at the start of the game. You jump over an adjacent piece to an empty square behind it, always horizontally or vertically, not diagonally. The piece you jump over is removed from the playing field. At the end, only one piece should remain - on the centre square. The game board is handy and small, the game pieces are beautifully rounded wooden cylinders. These game pieces are available in the colours red, dark green and natural. If you do not tell us your colour preference, we will deliver with red wooden cylinders. This version also includes game pieces and instructions for the 2-person game "Fox and Geese". Caution! Not suitable for children under the age of three. Small parts can be swallowed. For 2 players aged 8 and over. Duration: approx. 15 - 30 minutes. Game board: solid beech, 14.5 x 14.5 x 2 cm. Game pieces are 34 wooden cylinders in red, white or green.
