Dark Souls RPG Minis Wave 2 SKU 4 - Protector of the Asylum, Minatures Set

33,37 EUR

Item no.: 359985

shipping weight: 0.40 kg

Manufacturer: Steamforged Games

Product Description

Those afflicted with the undead curse are sent to rot in a remote asylum. Most accept their fate and fall into despair, but occasionally an inmate tries to escape. Such attempts are short-lived thanks to the formidable asylum demon. Any stranger who takes on this colossal creature should be made of stern stuff.

Prepare to die. Unleash a rampaging demon on your next roleplaying night with the gigantic Protector of the Asylum boss box, available for Dark Souls: The Roleplaying Game. This box contains everything you need to add a brutal Asylum demon to your campaigns, including a huge, highly detailed miniature on a 75mm base. All miniatures in this range are 5e-compatible and can be added to any role-playing campaign straight from the box.

- highly detailed miniature on a 75 mm base
- Age: 14+
- Endless hours!
