Product Description

Explore the dangerous Wilderness, befriend the enigmatic Bob the Cat, and face the hedonistic King Black Dragon in this gameplay expansion for RuneScape Kingdoms: Shadow of Elvarg. What's the Story? Deep in the dangerous wasteland to the north east — the place they call the Wilderness — lies the lair of the King Black Dragon. A fearsome, three-headed beast infamous for dealing burning, freezing, electrifying, poisonous death to unfortunate adventurers. But lucky for you, Bob the Cat is here to lend a helping paw! Still, you may want to say a prayer before taking this quest on... What it Adds to Your Game The King Black Dragon expansion grows your RuneScape Kingdoms universe with an infamous new boss to face, Bob the Cat to meet, Prayer skill to master, Wilderness location to explore, and a whole new campaign, A Cat's Tale of Triple Trouble, that will test your dragon-slaying mettle! It's packed with new side quests, vault cards, and events, plus new items to discover, craft, and equip on your path to victory. Please note, you'll need a copy of RuneScape Kingdoms: Shadow of Elvarg to use this expansion.
