### Product Description

The legendary MMORPG comes to your tabletop! With this fully illustrated roleplaying core book, you can bring iconic RuneScape and Old School RuneScape quests and lore to life in a whole new way. For over twenty years, millions of gamers have explored, crafted, and duelled their way across Gielinor. Now, you can bring the thrill of iconic RuneScape and Old School RuneScape quests and lore to your tabletop. All you'll need is a handful of dice, a few friends, and some pencils and paper. Featuring a specially-crafted system that captures the essence of RuneScape and an in-depth guide to the world of Gielinor, this complete core book has everything a budding 'Scaper needs to run authentic RuneScape roleplaying campaigns. Whether you're a seasoned game master (GM) or just dipping your toes into the world of roleplaying, this book has you covered. With full character creation rules, an extensive crafting system, iconic weapons and spells, and a bestiary teeming with monsters and bosses you'll learn to love (and hate) all over again — plus tips and tricks for GM's — all of Gielinor is yours to encounter!
