Product Description

Confront two powerful creatures from the original DARK SOULS video game with this mini boss box! The Gargoyles may look like mere statues, but those who trespass on hallowed grounds will swiftly learn the truth. Only the stoutest warriors will reach the Bell of Awakening. Distant centuries hence, a nameless blacksmith deity forged almighty weapons for the gods. When he passed away, the Titanite Slabs he used transformed into faceless beasts. These Titanite Demons still wander the land today, horribly disfigured and maimed, but enormously powerful. Looking to test your party's mettle against formidable foes? Confront a deadly Stone Gargoyle and massive Titanite Demon with the DARK SOULS: The Roleplaying Game. Inside this box is everything you need to add a Titanite Demon and Stone Gargoyle to your campaigns, with two huge, highly detailed minis on 75mm bases, and two 5e-compatible stat cards. Add these minis to any roleplaying campaign right from the box. Or paint and display them in your cherished display cabinet. The choice is yours! Will you survive a tussle with the fiercest beasts Lordran has to offer?
