Product Description

Orcs! An exclamation that rarely bodes well for the people of the Middle Kingdom and Svell Valley. Although orcs have a reputation for being brutal warriors and enemies of mankind, they have an ancient culture in which honour and bravery play an important role. Many a Blackfur is even born to be a hero! To use this game aid, you will need the DSA5 rulebook

Contents- short background descriptions of orcish tribes and gods- the values of the species - the culture Orkland, Holberk and a culture for raider gangs- several orcish professions, such as the Rikai and Graves Priest,- the orcish Blood Warrior - Spells, liturgies and animist powers of the featured- Professions- Orcish weapons and armour- Traits of various orcish tribes- Stats of various orcish master characters and enemies- Language: German
