Product Description

In Sentinel Comics: The Role Playing Game, you and your friends embody comic book heroes - either straight from the pages of Sentinel Comics or from your own imagination! Team up against terrifying villains and fight in dangerous environments, all in a pen & paper role-playing game! Evil knows no bounds! Nefarious villains from this world and beyond spawn hordes of minions, depraved plots and vile doomsday devices! The whole world is in danger! Who can stand in their way? You can. You are a hero. You and your fellow heroes take matters into your own hands, fight for what's right and protect those who can't protect themselves. Sentinel Comics: The role-playing game brings super-powered action and the fascination of comics to your table! Be a hero. Save the world. Create the world of Sentinel Comics.
