Product Description

The Savage Worlds Fantasy Compendium provides everything you need to create a fantasy setting... using Savage Worlds' award-winning rules system! Customise your hero with many new character options across their unique lineages, exceptional talents and interesting handicaps. Equip yourself with brand new and updated equipment: from essential adventuring gadgets and expanded armour and weapon lists to magical potions and rare materials for masterful items. Gather wealth and power to build a fortress and defy the challenges of a realm of your own! Immerse yourself in new setting rules that capture the essence of your fantasy game, whether high fantasy, sword & sorcery or fantastical sea adventures - the choice is yours! Unleash new magical powers and expand your magical options with rules for ritual magic that take the game to a new level. Encounter a variety of creatures in the extensive bestiary, which includes dozens of monsters and allied NPCs. Experience classic fantasy creatures in a whole new guise and challenge your adventuring party! Discover a variety of magical items! Whether everyday artefacts or legendary relics, we provide you with the right rules and inspiration for your adventure! Format: B5 close special format, hardcover Number of pages: 256 pages
