DSA - Era of the Golden Emperor - Epoch volume

from **34,58 EUR**

Item no.: 385017
shipping weight: 1.00 kg
Manufacturer: Ulisses Spiele

Product Description

This completely rules-free period book presents 128 pages of background information on the Era of the Golden Emperor in an attractive new layout. The book dispenses with all rules elements and is therefore the perfect basis for playing in the Era of Emperor Hal, regardless of the preferred rules edition of The Dark Eye, and even regardless of the game system itself! Experience Aventuria exactly the way you want to!
