from 19,73 EUR

Item no.: 400989
shipping weight: 0.20 kg
Manufacturer: Feldherr

Product Description

Cube foam as a drawer insert, for photo cases, aluminium cases, rucksacks, toolboxes and all other applications. Our grid foam measures 550 mm x 350 mm x 60 mm (55 cm x 35 cm x 6 cm). Thanks to its standardised dimensions, the cube foam inserts fit perfectly into many kitchen drawers, tool drawers, boxes, cases, rucksacks or other containers. Thanks to the rimless punching, the outer dimensions of the grid foam can be easily customised as required. The grid dimensions are 15 mm x 15 mm x 60 mm, making almost any shape possible. Adjustments can be made by hand - no tools are required. We recommend our matching foam bases / foam covers or dimpled foam in various heights as additional padding under the inlay or as a protective cover on the inlay. - PU flexible foam - Raster of 15 mm x 15 mm x 60 mm - Made in Germany - Chlorine-free and acid-free - Bulk density 23.0 kgm³
