from **10,58 EUR**

Item no.: 400973  
shipping weight: 0.20 kg  
Manufacturer: Feldherr

### Product Description

Cube foam as a drawer insert, for photo cases, aluminium cases, rucksacks, toolboxes and all other applications. Our grid foam measures 500 mm x 250 mm x 50 mm. Thanks to its standardised dimensions, the cube foam inserts fit perfectly into many kitchen drawers, tool drawers, boxes, cases, rucksacks or other containers. The outer dimensions of the grid foam can be easily customised as required thanks to the rimless punching. The grid size is 20 mm x 20 mm, making almost any shape possible. The adjustment can be done by hand - no tools are required. We recommend our matching foam bases / foam lids in heights of 4 mm, 10 mm or 20 mm as additional padding under the insert or as a protective cover on the insert. - Grid of 20 mm x 20 mm - Made in Germany - Chlorine-free and acid-free - Bulk density 23.0 kg/m<sup>3</sup>
