### Product Description

In this ultimate anniversary edition, you will find the 100 best pitch-black mysteries from 20 years of black stories: from gruesome urban legends and macabre misadventures to classics that have been whispered around the campfire. Can you solve the pitch-black mysteries? They are black, mysterious and thoroughly evil: black stories - THE cult series from Moses. The morbid, creepy, frightening and sometimes entertaining puzzles are about death and accidents that couldn't be more gruesome. The aim is to find out the stories behind the mysterious cases by guessing. Not always that easy... How to play: The guessing team version: The card set contains 50 tricky, pitch-black puzzle cards for teenagers and adults, which have to be solved by asking clever questions. It's most fun to crack black stories together with friends. One person, the master, takes a card from the pile and reads out the short story on the front of the card. On the back of the card is the answer, which the master naturally keeps to themselves. Now the guessers have to "ask" themselves the answer to the story. The questions should be formulated in such a way that they can be answered with "yes" or "no". Spooky and fun guessing fun for small and large groups - can also be played digitally. Riddle pro game variant: Three riddle cards are solved per game. Only the game master knows the solution and the guessing team approaches it step by step by asking questions, guessing and puzzling ... as intended! But watch out: Particularly clever questions that lead to a hot clue are rewarded with point chips. Whoever has collected the most point chips at the end of the game wins!
