from **29,45 EUR**

Item no.: 401044  
shipping weight: 0.20 kg  
Manufacturer: Feldherr

### Product Description

Cube foam as a drawer insert, for photo cases, aluminium cases, rucksacks, toolboxes and all other applications. Our grid foam measures 1000 mm x 500 mm x 60 mm (1 m x 50 cm x 6 cm) and is self-adhesive on one side - simply peel off the film - stick it on - done! Thanks to its standardised dimensions, the cube foam inserts fit perfectly into many kitchen drawers, tool drawers, boxes, cases, rucksacks or other containers. Thanks to the rimless punching, the outer dimensions of the grid foam can be easily customised as required. The grid size is 15 mm x 15 mm, making almost any shape possible. Adjustment can be done by hand - no tools are required. We recommend our matching foam bases / foam lids or dimpled foam in various heights as additional padding under the insert or as a protective lid on the insert. - 15 mm x 15 mm grid- Made in Germany- Chlorine-free and acid-free- Bulk density 23.0 kgm<sup>3</sup>
