from **14,68 EUR**

Item no.: 401047
shipping weight: 2.00 kg
Manufacturer: Feldherr

Product Description

Cube foam as a drawer insert, for photo cases, aluminium cases, rucksacks, toolboxes and all other applications. Our grid foam measures 500 mm x 400 mm x 20 mm (50 cm x 40 cm x 2.0 cm). Thanks to its standardised dimensions, the cube foam inserts fit perfectly into many kitchen drawers, tool drawers, boxes, cases, rucksacks or other containers. The outer dimensions of the grid foam can be easily customised as required thanks to the rimless punching. The grid size is 15 mm x 15 mm and therefore allows almost any shape. Adjustment can be done by hand - no tools are required. We recommend our matching foam bases / foam lids or dimpled foam in various heights as additional padding under the insert or as a protective lid on the insert. - 15 mm x 15 mm grid - Made in Germany - Chlorine-free and acid-free - Bulk density 23.0 kg/m³
