### Product Description

850 mm x 450 mm x 90 mm Grid foam Cube foam - grid width 15 mm  
Description: Cube foam as a drawer insert, for photo cases, aluminium cases, rucksacks, toolboxes and all other applications. Our cube foam has the dimensions 850 mm x 450 mm x 90 mm (85 cm x 45 cm x 9 cm). Thanks to its standardised dimensions, the cube foam inserts fit perfectly into many kitchen drawers, tool drawers, boxes, cases, rucksacks or other containers. The outer dimensions of the grid foam can be easily customised as required thanks to the rimless punching. The grid size is 15 mm x 15 mm and therefore allows almost any shape. The adjustment can be done by hand - no tools are required. We recommend our matching foam bases / foam covers or dimpled foam in various heights as additional padding under the inlay or as a protective cover on the inlay. - Grid of 15 mm x 15 mm - Made in Germany - chlorine-free and acid-free - raw density 23.0 kg/m<sup>3</sup> Further details: Item no.
