Product Description

Cube foam as a drawer insert, for photo cases, aluminium cases, rucksacks, toolboxes and all other applications. Our grid foam measures 550 mm x 350 mm x 100 mm (55 cm x 35 cm x 10 cm). Thanks to its standardised dimensions, the cube foam inserts fit perfectly into many kitchen drawers, tool drawers, boxes, cases, rucksacks or other containers. Thanks to the rimless punching, the outer dimensions of the grid foam can be easily customised as required. The grid dimensions are 15 mm x 15 mm x 100 mm, making almost any shape possible. Adjustment can be done by hand - no tools are required. We recommend our matching foam bases / foam lids or dimpled foam in various heights as additional padding under the insert or as a protective lid on top of the insert. - PU flexible foam - Grid of 15 mm x 15 mm x 100 mm - Made in Germany - Chlorine-free and acid-free
