shipping weight: 0.20 kg
Manufacturer: Feldherr

Product Description

With the Feldherr player dashboards for "Star Wars: X-Wing" or "Star Wars: Armada", you always have everything important in view. Nothing slips and the game accessories are always to hand. The player trays are easy on your nerves and save you time. And thanks to the compact design, you also have more space on the gaming table. The game aids are ideal for the game cards and game material from "Star Wars: X-Wing" and "Star Wars: Armada". With the set you get 4 player dashboards. The dashboards in the set are designed so that together they fit perfectly on our Feldherr half-size foam inserts. To achieve this, the set contains two dashboards for the left and two for the right. This allows you to transport them conveniently with our half-size cases, bags and magnetic boxes. The player boards help you to keep an overview on the table while playing. Each with a large card compartment for stacks of cards and a compartment for a dial, as well as twelve slots for placing your tokens and 12 card slots for active playing cards. All cards fit with protective sleeves* (max. external dimensions: 96 x 69 mm). - Transport and tip-proof - Vertical storage possible - Ready to use - No assembly required The set consists of: - 2 plastic "left" dashboards for Star Wars: X-Wing or Star Wars: Armada - 2 plastic "right" dashboards for Star Wars: X-Wing or Star Wars: Armada Each dashboard has the following dimensions: 138 mm long x 87 mm wide x 9 mm high. - thermoplastic material thermoplastic - made from renewable raw materials - no assembly required - ready to play - 3D printed in Germany As with all 3D printed models, minor imperfections may occur. The product images are only examples of what the finished product may look like. All products are provided unpainted. *Tested with premium card sleeves from Ultra Pro and GameGenic
