Product Description

Neatly stored and safely transported. With this Feldherr storage box, including foam insert for model railways in H0 gauge, your models are safe. The set consists of:- 1 Feldherr storage box FSLB075- 1 full-size foam insert with 5 bars for H0 scale models - upright (FS065A001)- 1 foam lidFive compartments - customised for H0 scale model railways, in an upright position - offer your wagons and locomotives reliable protection for storage and transport. Several trains and wagons can be stored next to each other in one compartment. We offer matching foam spacers (HS040A002, HS020A001) to prevent bumping into each other or unintentional coupling. The models are thus safely stored all round and permanently protected against damage and wear and tear such as scratches and chipping paint thanks to the high-quality foam.- Each of the 5 compartments is 320 mm long x 40 mm wide x 55 mm deep.- Suitable for models in nominal size / H0 scaleThe set also includes the matching foam lid. This is then placed on the filled insert so that nothing can fall out or hit the lid of the box during transport. The insert is ideally stored in the Feldherr storage box FSLB075. The box is made of coated, double-walled cardboard. This makes it not only pleasantly light, but also particularly tear-resistant and stable. You can store your miniatures safely and protected from dust and transport them effortlessly with the practical plastic carrying handle. Dimensions of the storage box:- Internal dimensions: approx. 345 mm x 275 mm x 75 mm- External dimensions: approx. 355 mm x 280 mm x 80 mm- The full-size foam insert has the following dimensions: 345 mm x 275 mm x 65 mm total height (55 mm usable height + 10 mm foam base).- High-quality, fine-pored foam - Made in Germany- Chlorine-free and acid-free
