Product Description

Neatly stored and safely transported - your models are safe with this Feldherr storage box with foam inlay for Z scale model railways. 9 compartments - customised for Z scale model railways, in horizontal position - offer your wagons and locomotives reliable protection for storage and transport. Several trains and wagons can be stored next to each other in one compartment. We offer matching foam spacers (HS040A002, HS020A001) to prevent bumping into each other or unintentional coupling. The models are thus safely stored all around and permanently protected against damage and wear and tear such as scratches and chipping paint thanks to the high-quality foam. - Each of the 9 compartments is 320 mm long x 20 mm wide x 20 mm deep. - Suitable for models in nominal size / Z scale. - The full-size foam inserts have the following dimensions: 345 mm long x 275 mm wide x 30 mm - Total height (20 mm usable height + 10 mm foam base) The internal dimensions of the storage box: 345 mm x 275 mm x 40 mm The external dimensions are slightly larger. The set consists of: - 1 Feldherr storage box FSLB040- 1 full-size foam insert (FSMELJ030BO)- 1 foam lid- high-quality, fine-pored foam- chlorine-free and acid-free- Made in Germany
