Product Description

NMBR 9++ takes your NMBR 9 experience to the next level. Finally, you can close unwanted holes and turn and flip the number tiles as you please. If you don't want a tile in your display, simply reject it in the "2 out of 3" variant. NMBR 9++ is not a stand-alone game and can only be played in combination with the base game NMBR 9. It contains three expansion modules and two game variants. Thanks to the additional material, the basic game can now also be played by five or six players. Important information Caution! Not suitable for children under 36 months.
