Product Description

Earth, the beautiful planet we call home, is the only known place in the universe where life thrives. Its rich resources and diverse biomes have led to an abundance of life, both in flora and fauna. With the Diversity expansion to Earth, you will receive numerous new and beautiful components. In addition, with the expansion, the game offers new actions, new resources, more interaction possibilities and more of what you already loved in the base game "Earth". With the Diversity expansion, you can now play Earth with six players.
