Product Description

A Song of Ice & Fire Skyreach Bowmen In the south of Westeros, in a region known as Prince's Pass, there is no more terrifying sight than when the Archers of Skyreach appear in the barren terrain. They are brilliant flankers, moving into position before their enemies even register them. However, the mobility of these nimble archers goes hand in hand with weak armour. Clever commanders should therefore know how to protect them until the decisive moment. - Players 2- Age 14+- Minutes 45+ The unit expansion A Song of Ice & Fire - Skyreach Bowmen brings a total of 12 miniatures to the popular world of the epic tabletop game.
