Product Description

Popstar in distress - mystery dinner game for 4 people
 Description: The case: Last year you were the shining stars in the music sky and the greatest band in Germany - the Freaking Fruits. But times have changed and your fame has faded. Your unscrupulous producers present you with a new challenge to revitalise your career: A new TV show in which one band member must end up leaving the group. All of you have one vote. But shortly before the all-important vote, your lead singer Juice collapses. You have to find out what happened and who is to blame. All members of the band are suspects. Invite friends and family and spend an exciting evening. Our concept gives families with children aged 10 and over the perfect introduction to the world of murder mystery dinners with lots of pictures and audio tracks, a modern theme, large font, explanations for difficult words and a guide. Our murder mystery game combines the classic role-playing game of a murder mystery dinner with a realistic investigator component for a particularly captivating gaming experience. The evidence in our murder mystery dinner at home has been crafted with great attention to detail for extra fun at your next murder mystery party. Immerse yourself in the world of beatbox, rap and pop music and spend a fun and exciting evening. Each mystery game has been developed by mathematicians and tested several times to guarantee logical and scientifically correct cases. All games are developed and produced in Germany. We guarantee the highest quality and maximum fun. Important information: Caution! Not suitable for children under 36 months.
