Product Description

You have the power to shape the universe. What would it look like? Cosmic change is in your hands, so shape the universe and make your mark on space ... - Players 2-4- Age 14+- Minutes 60+ In an empty corner of the cosmos, there is a blank canvas just waiting to be filled with a new galaxy, and it's up to you to shape it. In the connoisseur game Crafting the Cosmos, you become interstellar architects and compete against each other to shape the galaxy - and collect victory points. Fill it with stars that merge into impressive nebulae, transform emerging proto-life into advanced life forms, influence the course of time and the effects of gravity to your advantage - to shape your galaxy exactly as you want it. A game consists of several rounds in which you make your moves one after the other. Gain enough resources during the energy phase to build up your galaxy during the construction phase. Your aim is to have the most victory points at the end of the game. The fate of this cosmic creation is in your hands! Shape it carefully and leave your mark on the universe.
