### Product Description

Glow in the dark edition of the classic game! The cockroach, the dice, the cutlery and the traps glow in the dark, so you can play in the light or in the dark. But whether it's day or night, only those who turn the cutlery quickly and correctly will lure the cockroach into one of the four traps! If the cockroach is caught, a noctilucent chip is given to the person who owns the trap. Whoever gets five chips first wins the hunt for the light-shy creepy-crawly. Important information Batteries included Caution! Not suitable for children under 36 months.
