### Product Description

The Great Houses of the Empire live and die by their lineage. Conspiracies unfold across generations as Emperors build dynasties and the Bene Gesserit turn prophecy into reality. As alliances rise and fall, leaders are faced with a single question: how far would you go to secure your bloodline? Bloodlines is the next expansion to be released, adding new aspects to both Dune: Imperium and Dune: Imperium - Uprising. The battle for Arrakis will be more epic than ever: Recruit Sardaukar commanders to reinforce your troops and unlock the potential of brand new technologies. New leaders, treaties and maps open up more strategic possibilities than ever before. War is sweeping across the universe, and only the strongest bloodlines will survive. Bloodlines is compatible with both base games and all Dune: Imperium expansions released to date. One of the base games, Dune: Imperium or Dune: Imperium - Uprising is required to play. Features- Number of players: 1-4 players- Recommended age: 13+ years- Playing time: 60+ minutes
