Product Description

In Labyrinth Go! 1 - 4 people compete against each other. The 4 labyrinth dice reveal which treasures must be collected in each round. Using the path tiles, all players try to connect the treasures they are looking for with the centre of their game board. The player who manages to do this the quickest scores the most points. But be careful not to make a mistake! Each round is different thanks to the new dice rolls and is great fun for the whole family! Important information Caution! Not suitable for children under 36 months.
