### Product Description

Stitch is one of the most popular Disney characters. Fans of the cheeky alien will get their money's worth in this memory, as Stitch and his friends are shown in various poses on 64 cards. Finding the matching pairs of cards is a challenge, as the motifs and background patterns have been deliberately chosen to cause quite a bit of confusion. If you are good at memorising where each picture motif is, you have a clear advantage with this challenge memory. Important information Caution! Not suitable for children under 36 months.
