Product Description

Use your brush like a magic wand to add beautiful colours to these four gorgeous fairies! With a few drops of paint, all children can create true masterpieces! Aquarellum Junior is a painting technique that allows all ages to effortlessly create beautiful works of art. Here's the recipe for success:- High-quality, thick parchment paper that is perfect for watercolour painting as it doesn't crease.- Illustrations with masked outlines that appear as if by magic with every brushstroke. They prevent the paint from sticking to the masked areas, so that children can eventually paint only within the lines!- Watercolour paints that blend perfectly and can be layered to create beautiful colour gradients.- A detailed guide on how to perceive and mix the colours.- A "Made in France" concept. This is the perfect craft activity to introduce young children to the art of painting and mixing colours while awakening their sense of concentration. The result is guaranteed to inspire artists of all levels and ages in their creative process. Refill packs are available. An eco-friendly product. This range is made in France and is designed to be eco-friendly so that all ages can have fun while respecting the environment and future generations. Here are the eco-friendly measures implemented in the development of this range:- Paint pots made from 70% recycled PET- Non-toxic water-based paints- A pallet made from 70% recycled material - A cardboard box made from at least 80% recycled material with FSC certification- FSC-certified boards. 98% of the value of this product is made in France. Box contents- 4 taped illustrations in 18 x 25 cm format- 1 high-quality watercolour brush- 1 palette for mixing the paints- 5 non-toxic watercolour inks- 1 pipette for mixing the paints
