Product Description

Protect, display, play and paint with the Character Clamp from Ultra PRO! Suitable for 28mm/22mm scale base miniature figures, the Character Clamp holds the base of a single figure securely in a spring-loaded clamp, while a clear display surrounds the figure from all sides and above. The display is attached to the base with a strong magnetic catch, ensuring your most precious minis are protected but accessible when you're ready to play. The plinth acts as a stable base for colouring and allows for more control both on the table and in the hand. Thanks to the recessed base design, you can stack and display them safely. Display and storage of miniature figures Size for 28 mm/22 mm scale miniature figures Base magnetic closure for safe storage and easy access Sturdy base for painting or display The base is recessed so you can easily and safely stack and use it for optimal display
