Product Description

Gamegenic has developed the Sidekick 100+ in an exclusive, extra-large version that holds 100 regular cards in double sleeves and offers additional space for extra tokens. The Convertible series was developed to present cards in new and unique ways. Remove the lid, attach it to the base or tilt your box in a variety of ways. Strong magnets keep it securely closed. - Holds up to 100 double-sided cards in extra thick inner sleeves* - Holds 100 regular double-sided cards and additional tokens or a Commander deck in thicker inner sleeves - Sideloaded: cards are stored horizontally - Fully removable cover that attaches to the bottom to save valuable space - At the gaming table - Freedom of use: Vielfältige Möglichkeiten, die geöffnete Box zu präsentieren und zu kippen - Robuste und langlebige Box - Starke Magnete für einen präzisen und sicheren Verschluss - 100% kompatibel mit konvertierbaren Aufbewahrungslösungen, wie z. e. g. the Dungeon* Optimised for particularly thick inner sleeves. Gamegenic sleeves are recommended. Cases from other brands may affect capacity/compatibility. Warning! Not suitable for children under 36 months.
