Product Description

Tumble into Scratch's lovely butterfly garden and discover three educational butterfly games! 1. Fishing game : Wave around your butterfly net to catch the loveliest wooden butterflies with your magnetic net. Count up the collected butterflies or the points on the back of the butterflies to figure out who's won! 2. Dominoes: Explore the butterfly garden as you look for twin butterflies and make a long ribbon of all the cards. Or flip all the cards over and place the ones with matching numbers of butterflies together. 3. Pairs: Take turns flipping over two cards each and be the first to collect all the matching butterfly pairs. Play these three challenging games by yourself or as a group and train your short-term memory. For everyone aged 18 months and up.
