

Item no.: 389046

Magnet learning game animals numbers

from **13,42 EUR**

Item no.: 389046
shipping weight: 0.50 kg
Manufacturer: Scratch

Product Description

Can you count how many chickens, pigs, ducks, roosters and sheep you see in the picture? Choose a task card, take the matching animal strip and count how many times you can find each animal in the drawing. There are 4 animal series to discover. Animal Counting is a surprisingly entertaining magnetic game that allows you to practise recognising animals and learning to count. Promotes skills such as logical thinking, concentration, spatial awareness and visual perception.
