

Item no.: 389047

Magnet educational game Sorting colours and shapes

from **13,42 EUR**

Item no.: 389047
shipping weight: 0.50 kg
Manufacturer: Scratch

Product Description

Can you see which shapes in certain colours you can find on the task card? Discover the stars, triangles, squares, diamonds and circles in the drawings. Always mark the correct colour of the shape. There are 20 task cards to discover. Shapes & Colors is a surprisingly entertaining magnetic game for practising shapes and colours. Promotes skills such as visual perception, concentration, spatial awareness and logical thinking.
