### Product Description

Game:Fancy a day of fun? Gather all your friends for a ring toss competition! Who can throw all the rings around the wooden toucans and collect the most points? Play the game indoors or outdoors. Enjoy lots of fun with your family or friends playing this challenging ring toss game. A great way to develop fine motor skills and concentration while having lots of fun. This fun game consists of 5 goals and 3 rings.Game variants:1 - Each player can throw the 3 rings. The number of points is counted. The player with the highest score receives 1 point. The first player to reach 5 points wins the game! 2 - Each player may throw 3 rings in each round. For each ring around a toucan you get 1 point. Play continues until someone has reached 10 points. The other players take their turn in the same round. All players who have reached 10 points in a round win the game.3 - The rules are the same as in variant 2, except that you count the points on the toucans and continue playing until someone has reached 500 points. Tip:You can make the game more difficult by placing the goals further apart or closer together and varying the distance between them. The further away you stand from the goals, the more difficult it becomes. You can also come up with new rules.- EAN Code: 5414561825517- Country of Origin/Region of Origin Code: China- Customs tariff no.: 9504908000- Recommended minimum age: 3 years
