### Product Description

These acrobatic animals perform their greatest stunts. Can you copy them? Stack and place the animal friends as indicated on the task cards. Pay attention to all the details and create the craziest combinations with the funny elephants, crocodiles, birds and hippos. There are a total of 40 challenges on 2 different levels that increase the level of difficulty. Balancio develops your child's fine motor skills, concentration and hand-eye coordination. Suitable for children aged 4 and over.
