Product Description

Der twistte Sprach-Zoo, learning game (DE), for 2-4 players, ages 4+

In the children's game "word for word" for 1-4 players you have to read, write and spell words. How is "pirate" spelled? Who puts the right word for his picture with the right letters? How many letters you can take is shown by the cheeky parrot on the turntable. The children can check for themselves whether the word is spelled correctly on the back of the picture.

In this playful way, the children acquire and consolidate their first reading skills with this board game. In addition, the language development and concentration of the 6-9 year olds is promoted. Educational games that are really fun: This is the motto of the educational game series from Ravensburger, with which children are supported in their development in the most learning-intensive years.

All games are developed and tested according to the latest scientific and educational standards. The learning materials are packed in exciting stories, a variety of materials and methods allow learning with all senses.
