Product Description

Carrera RC Advent calendar with 2.4GHz RC vehicle Complete your 1:20 scale Buggy in just 24 days! In the Advent calendar from Carrera RC, 24 different components are waiting for you to assemble a complete remote-controlled vehicle. The calendar measures approx. 31.25 cm x 14 cm x 31.25 cm (width/depth/height) and the trendy packaging makes it a real eye-catcher. As soon as the car is fully assembled, the nimble speedster in the cool two-colour design in red and black reaches speeds of up to 12 km/h and you can get straight into the driving fun thanks to the Ready to Run function. The calendar also includes batteries and the practical one-hand controller for the 23.5 cm long vehicle. The Buggy has full driving and steering functions and is suitable for children aged 12 and over. ATTENTION: Not suitable for children under 3 years. Choking hazard due to small parts that can be swallowed. Keep the packaging as it contains important instructions.
