Product Description

It is the 26th century. Earth is recovering from a catastrophic explosion that wiped out the majority of the population and rendered most of the surface uninhabitable. The survivors have organised themselves into four radically different ideologies: Harmony, Dominance, Progress and Redemption. These so-called Paths live isolated from each other in the shelter of their capitals, in fragile but lasting peace. Now an even greater catastrophe casts its shadow: an asteroid is heading for Earth. However, thanks to the recently discovered time rifts, this time the Paths will be prepared: it is up to their leaders to take precautions, survive and reunite the world under their banner once the dust has settled. Important notes: Warning! Not suitable for children under 36 months.
