shipping weight: 0.40 kg  
Manufacturer: SentoSphère

### Product Description

With this set, children can make four adorable mini sand art boards. This mini assortment has been specially developed to introduce young children to sand art! Sablimage is a fun craft assortment specially designed to allow your children to create sand art easily and freely without making a mess. Each set contains:- 4 small, high quality, thick and pre-cut adhesive tiles with a protective layer that allows children, even the younger ones, to easily peel off the different sections of the illustration.- Illustrations with printed outlines so that children can easily recognise the illustration and the different sections to peel off.- A small plastic knife with which the children can peel off the different sections of the illustrations.- 9 pots of coloured sand so that the children have a wide choice of colours and enough sand to complete all the panels included in the set.- A made in France activity. Simply remove the pre-cut protective surface and sprinkle the different colours of sand over it. With each colour added, each illustration comes to life and becomes a true masterpiece. A fun, perfect and guaranteed result for artists of all ages! Box contents- 9 small pots of coloured sand- 4 small pre-cut adhesive plates- 1 small plastic knife Eco-concept- Box made from at least 89% recycled cardboard
