3906002 - Aquarellum Mini Butterflies

from **6,27 EUR**

Item no.: 388809
 shipping weight: 0.40 kg
 Manufacturer: SentoSphère

Product Description

Let your imagination run wild and bring these beautiful butterflies and the flowers that surround them to life with your brush and paints! The Aquarellum Mini range is perfect for discovering the joys of watercolour painting and colour mixing while creating true masterpieces! With this painting technique, all ages can effortlessly create beautiful works of art. Here is the recipe for success:- High quality, thick parchment paper that is perfect for watercolour painting as it does not crease.- Mini illustrations with masked outlines that appear as if by magic with every brushstroke. They prevent the colour from sticking to the masked areas so that the children can only paint within the lines! Their small format is also perfect for young artists.- Watercolour paints that blend perfectly and can be layered to create beautiful colour gradients.- Detailed instructions on how to perceive and mix the colours. A concept made in France. This is the perfect craft activity to introduce young children to the art of painting and mixing colours while awakening their sense of concentration. The result is guaranteed to inspire artists of all levels and ages in their creative process. Refill packs are available. An eco-friendly product. This range is made in France and is designed to be eco-friendly so that all ages can have fun while respecting the environment and future generations. Here are the eco-friendly measures taken in the development of this range:- Paint pots made from 70% recycled PET- Non-toxic water-based paints- A pallet made from 70% recycled material - A cardboard box made from at least 80% recycled material, FSC-certified- FSC-certified boards- 98% of the value of this product is made in France Box contents- 4 masked illustrations 4 taped 12 x 16 cm pictures- 1 high-quality watercolour brush- 1 palette for mixing the colours- 3 non-toxic watercolour inks- 1 pipette for mixing the colours Eco-concept- Paint pots made from 70% recycled PET - Non-toxic water-based inks - A cardboard box made from at least 89% recycled material, FSC-certified - Pallet made from 50%, 60% or 70% recycled material, depending on the model - FSC-certified boards - 98% of the value of this product is produced in France
