

Item no.: 388756 3908101 - Sandbilder Mini Tiere

Product Description

Enjoy this mini kit to create four sand art masterpieces! With the provided colours of sand, have fun adding colour and texture to these exotic animals. This mini range was specially designed to initiate young children to sand art! Sablimage is a fun arts & crafts range that was specially designed so that you children can easily and freely create sand art, without making a mess. Each kit contains:- 4 small highly qualitative, thick and pre-cut adhesive boards with a protective layer, perfect for children, even the younger ones, to easily peel off each section of the illustration.- Illustrations with printed outlines, so that children can easily spot the illustration and the different sections to peel off.- A small plastic knife to help children peel off the different sections of the illustrations.- 9 pots of coloured so that children can have a wide range in choice of colour, and enough sand to finish all the boards provided in the kit.- A made in France activity.Just remove the pre-cut protective and sprinkle over the different colours of sand. With every added colour, each illustration will come to life and turn into a true masterpiece. A fun, perfect and guaranteed result for artists of all ages!Content of the box-9 small plastic knifeEco conception- Box made from at least 89% recycled cardboard
